

## DAY CAMPS GUIDELINES

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed

### PHYSICAL WORKSPACE

1. Display signage at entry with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Activities should be set up to allow for 6-ft. of distancing between participants
3. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use; water may be served in sealed, single-use water bottles
4. Activities requiring physical exertion and/or exertion of voice should take place outdoors
5. Water-based activities are not permitted

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Hand sanitizer made available to participants, with sanitization stations for each separate participant group
3. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
4. Minimize sharing of objects; if objects should be shared, sanitize before and after use
5. Keep participant personal belongings separated and in individually labeled areas

### STAFFING AND ATTENDANCE

1. For indoor facilities, maximum occupancy of 50% of facility capacity permitted
2. Maintain groups sizes of 10 participants or fewer
3. No mixing of employees or participants between groups
4. Limit occupancy of common areas

### EXTERNAL INTERACTIONS

1. Before allowing external supplier, volunteer or visitor to enter or wait in a designated area, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external visitors who enter premises
3. No field trips, family-style meals or reusable dishware (except refillable water bottles)

### CUSTOMER BEHAVIORS

1. Advance enrollment (e.g. no walk-ins)
2. Before being granted entrance, employees should ask whether participant is currently exhibiting COVID-19 symptoms
3. Maintain attendance log of participants
4. If providing transportation, interior of vehicle should be sanitized, hand sanitizer should be provided at the entrance of the vehicle, face coverings should be worn and social distancing should be maintained

## HEALTH AND FITNESS BUSINESS GUIDELINES

**In Phase III, health and fitness services are limited to 1-1 training and outdoor fitness classes with up to 10 participants and prohibition on contact activities.**

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

### PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Configure workout stations to allow for 10-ft. social distancing between individuals
3. Ancillary accommodations (e.g., saunas, hot tubs, pools) should be closed
4. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
5. Members requested to clean equipment before and after each use

### DISINFECTING/CLEANING PROCEDURES

1. Fully clean and sanitize exercising areas (e.g. yoga room) before and after use
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Sanitize locker rooms and showers at least every hour
4. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis

### STAFFING AND ATTENDANCE

1. No more than 50% of occupancy OR 5 people per 1000 sq. feet
2. Limit occupancy of common areas
3. Allow for 10-ft. of social distancing between participants in outdoor fitness classes; 10 participants maximum

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external vendors who enter premises

### CUSTOMER BEHAVIORS

1. Reservations only, no walk-ins
2. Before allowing entrance or class, fitness center should ask whether member is currently exhibiting COVID-19 symptoms
3. Members should clean and sanitize equipment before and after use
4. Members should maintain 10-ft. of distance during exercise and wear face covering whenever not exercising
5. Contact exercises such as boxing, sparring, wrestling, etc. are not permitted

# MANUFACTURING GUIDELINES

## GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

## HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

## HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed

## PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Reconfigure workstations to allow for 6-ft. social distancing
3. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
4. Eliminate common touchpoints
5. Minimize the use of shared work materials

## DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Workstations should be disinfected between every shift and in between employee handoffs
4. Disinfect shared equipment before use by another employee
5. Clean and sanitize reusable articles (e.g., gowns, gloves) before they can be used by another employee

## STAFFING AND ATTENDANCE

1. Designate employee(s) to monitor capacity limits and social distancing
2. Limit occupancy of common areas
3. Minimize in-person meetings; if necessary, limit to 10 people with social distancing

## EXTERNAL INTERACTIONS

1. Before allowing external supplier or visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep a log of all external suppliers and any visitors who enter the premises

## OFFICES GUIDELINES

### GENERAL HEALTH

1. Wear face coverings in presence of others
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing required

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic
2. Employers should continue to limit all non-essential business travel; if employee must travel, employee should follow CDC considerations to protect themselves and others during trip

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Disinfect workstations upon entering office and before leaving

### PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Display visual markers 6-ft. apart at any queue points (e.g., elevators, building entrances)
3. Limit elevator capacity to allow for 6-ft. social distance
4. Allow for 6-ft. spacing between workstations
5. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
6. Encourage employees to remove personal items from desk to allow for easier cleaning
7. Use of shared workspaces, desks, offices, etc. discouraged
8. Minimize the use of shared work materials and equipment

### STAFFING AND ATTENDANCE

1. Maximum occupancy of 50% of office seating capacity
2. Limit occupancy of common areas
3. If possible, use tele- and video-conferencing while at desk
4. Minimize in-person meetings; if necessary, limit to 10 people with social distancing

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep a log of all external suppliers and any visitors who enter the office

# OUTDOOR RECREATION GUIDELINES

## GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

## HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

## HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

## PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Ensure at least 10-ft. between individual recreation stations
3. Clubhouse and any other communal gathering place should be closed
4. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use

## DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Sanitization of locker rooms and showers should be completed at least every 2 hours
4. All rental equipment should be thoroughly sanitized before and after use

## STAFFING AND ATTENDANCE

1. Designate employee(s) to monitor capacity limits and social distancing
2. Limit occupancy of common areas
3. Group sizes should be limited to 10 people

## EXTERNAL INTERACTIONS

1. Before allowing external supplier or visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external vendors who enter premises

## CUSTOMER BEHAVIORS

1. Wear face coverings over nose and mouth
2. Inform customers of available facility capacity before arrival

## PERSONAL CARE SERVICES GUIDELINES

In Phase III, services for personal care must be limited to services which can be performed while customer is wearing a face covering over their nose and mouth, and massages of 30 minutes or less.

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Fully disinfect work stations before each customer and at closing time
4. Fully clean and sanitize reusable customer articles (e.g. towels, blankets, capes, robes) after use

### PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Configure space to allow for at least 6-ft. of distance between customers
3. Remove shared items (e.g., magazines) from waiting areas and configure seating to be 6-ft apart
4. Eliminate service of all beverages; water fountains, except for touchless water bottle refill stations, should be made unavailable for use
5. Display visual markers 6-ft. apart at customer queue points
6. Reduce number of items on surfaces and remove shared products (e.g., beauty testers) from displays and discourage handling of display items

### STAFFING AND ATTENDANCE

1. Maximum of 50% of capacity OR 5 customers allowed per 1000 sq. ft. of usable space
2. Limit occupancy of common areas

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external suppliers who enter premises

### CUSTOMER BEHAVIORS

1. Reservations only, no walk-ins
2. Customers should wear face coverings over their nose and mouth
3. If customer has COVID-19 symptoms, they should wait until they have had no fever for at least 72 hours, other symptoms have improved, and at least 10 days have passed since their symptoms first appeared
4. Wait for services off premises

# RESTAURANTS & BARS FOR OUTDOOR DINING GUIDELINES

## GENERAL HEALTH

1. Wear face coverings in presence of others
2. Maintain social distance of at least 6-ft., arranging seating as necessary
3. Bar and restaurant employees should wash hands for 20 seconds every 30 minutes, upon arrival to work, prior to and during food preparation, when switching between tasks, before donning gloves, after using the restroom, after handling soiled dishes, when visibly soiled, after sneezing/coughing/touching face, after eating or drinking, after smoking/vaping, after using cell phone.
4. Wear gloves when preparing food per pre-COVID food handling protocols

## HR AND TRAVEL POLICIES

1. Employees should not report to, or be allowed to remain at, work if sick or symptomatic

## HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed

## DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and high-touch surfaces (e.g., entry/exit doorknobs, stair railings) frequently; every half hour for high-traffic areas
3. Sanitization of multi-use items (e.g., menus, if reuse, special cards, pens, check presenters, etc.) after each use
4. Disinfect tables and chairs between parties and at closing time
5. Discard single-use or paper articles (e.g., paper menus) after each use

## PHYSICAL WORKSPACE

1. Display signage at entry with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Configure space for at least 6-ft. of distance between tables/customer service areas
3. Close open congregate areas (e.g., waiting areas) and self-service food areas (e.g., buffets, salad bars, coffee station)
4. Use single packet condiments, disposable silverware, and disposable or touchless menus, if possible.
5. Eliminate table presets (e.g., table tents, menus, salt and pepper shakers, lemons, straws, shared condiments, etc.), refilling customer beverages, self-service beverage stations
6. Use single packet condiments, disposable silverware, disposable or touchless menus
7. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
8. Customers should handle their leftover food to be taken to-go
9. In case of inclement weather or emergency while customers are outdoor dining, food should be packaged to-go and customers encouraged to leave
10. Deliver items to table on service trays
11. Display visual markers 6-ft. apart at customer queue points
12. Eliminate seating at bars

## STAFFING AND ATTENDANCE

1. Limit occupancy of common areas
2. Live music is permitted with social distancing; performers should wear face coverings where possible and the use of barriers between singers and customers and employees is strongly encouraged

## EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor (excluding third-party visitors providing carry-out services only) to enter, ask if they are currently exhibiting COVID-19 symptoms
2. Keep log of all external suppliers who enter premises

## CUSTOMER BEHAVIORS

1. 6-person party limit
2. Reservation or call ahead model
3. Customers should wait for services off premises
4. Customers should wear face coverings over their nose and mouth while on premises, except while eating and drinking at table

## RETAIL BUSINESS GUIDELINES

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

### PHYSICAL WORKPLACE

1. Display signage at entry with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
3. Shopping mall food courts should remove indoor seating and tables

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Fitting rooms and frequently touched surfaces within (e.g., benches, handles, hooks) should be disinfected after every use OR fitting rooms should remain closed
4. If fitting rooms remain open, solid surfaces (e.g., tags and hangers of garments) should be sanitized before returning to sales floor. Bathing suits and undergarments may not be tried on by customers
5. Disinfect returned items, either with disinfecting products or removing and isolating the items for at least 72 hours, before returning items to the sales floor
6. Disinfect checkout keypads and self-checkout stations after every transaction and shopping carts and baskets after each use

### STAFFING AND ATTENDANCE

1. Maximum of 50% of store capacity OR 5 customers allowed per 1000 sq. ft. of retail space
2. Designate an employee(s) to monitor capacity limits and social distancing
3. Limit occupancy of common areas

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or non-customer visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external suppliers who enter premises

### CUSTOMER BEHAVIORS

1. Wear face coverings over nose and mouth
2. Customers shouldn't bring reusable shopping bags

## SERVICE COUNTER GUIDELINES

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

### PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Keep incoming items separate from finished items
3. Remove shared items (e.g., magazines) from waiting areas and configure any seating to be 6-ft apart to allow for social distancing
4. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently

### STAFFING AND ATTENDANCE

1. Maximum of 50% of capacity OR 5 customers allowed per 1000 sq. ft. of usable space
2. Limit occupancy of common areas

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external suppliers who enter premises

### CUSTOMER BEHAVIORS

1. Customers should wear face coverings over their nose and mouth
2. Wait for services off premises

## YOUTH SPORTS GUIDELINES

In Phase III, youth sports activities are limited to drills, practices, and lessons that do not involve contact and allow for 6-ft of social distancing to be maintained (no competitive games).

### GENERAL HEALTH

1. Employees should wear face coverings over their nose and mouth
2. Maintain social distance of at least 6-ft.
3. Frequent hand washing

### HR AND TRAVEL POLICIES

1. Employees shall not report to, or be allowed to remain at, work if sick or symptomatic

### HEALTH MONITORING

1. Employers should make temperature checks available for employees and encourage their use
2. Have a wellness screening program for conducting in-person and mid-shift screenings of employees upon arrival
3. If employee contracts COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset until feverless and feeling well for at least 72 hours OR has 2 negative COVID-19 tests in a row, 24 hours apart
4. If an employee is identified as being COVID-19 positive by testing, CDC cleaning and disinfecting should be performed
5. Any employee who has had close contact with someone with COVID-19 should quarantine for 14 days

### PHYSICAL WORKSPACE

1. Display signage with face covering requirements, social distancing guidelines, and cleaning protocols, in multiple languages as needed
2. Activities (e.g. practices, drills, lessons) should be set up to allow for 6-ft. of distancing between participants
3. Ensure at least 10-ft. between individual recreation stations
4. Water fountains, except for touchless water bottle refill stations, should be made unavailable for use
5. Close facility concession stands

### EXTERNAL INTERACTIONS

1. Before allowing external supplier or visitor to enter, ask whether the individual is currently exhibiting COVID-19 symptoms
2. Keep log of all external suppliers/ visitors who enter premises

### DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of premises should be conducted in compliance with CDC protocols on a weekly basis
2. Clean and disinfect common areas (e.g., restrooms, cafeterias) and surfaces which are touched by multiple people (e.g., entry/exit doorknobs, stair railings) frequently
3. Minimize sharing of high-touch equipment; if equipment is shared, sanitize before and after use
4. Sanitize individual recreation stations before and after participant use

### STAFFING AND ATTENDANCE

1. For indoor facilities, maximum occupancy of 50% of facility capacity
2. Team/group sizes should be limited to 10 participants or fewer per every one adult
3. Teams/groups should be static, with no mixing of employees or participants
4. Designate employee(s) to monitor capacity limits and social distancing

### CUSTOMER BEHAVIORS

1. By appointment only (e.g. no walk-ins, no pick-up games)
2. Before participating, instructors must ask whether participant is currently exhibiting COVID-19 symptoms
3. Maintain attendance log of participants
4. Participants should wash hands with soap and water or use hand sanitizer before participating
5. Spectators are not permitted unless required for parental supervision
6. Participants should bring their own source of water
7. No handshakes at the beginning or end of practice
8. Participants should wear face coverings over their nose and mouth, sanitize hands regularly, avoid touching facility accessories, use their own equipment, and use their own equipment
