On June 1st, the Henderson County Courthouse will be open for business. The public is still encouraged to contact the office you need to do business with for an appointment. All persons entering the courthouse will be required to wear a mask provided by themselves, answer a short questionnaire to themselves, and have their temperature taken at entry. Entry to the courthouse is limited to persons with scheduled court cases. Social distancing guidelines will be practiced throughout the courthouse, including limited seating in the court room and number of persons in the courthouse. Yellow and white marking tape will be visible on the floors for proper distancing while waiting in line as well. Hand sanitizer stations are placed throughout the courthouse. We ask that you please be patient and allow yourself plenty of time to be checked through security.
