2024 ILLINOIS MEDIA ALL-STATE GIRLS' BASKETBALL (CLASS 1A & 2A TEAMS)

MOLINE — Here are the Illinois Media Class 1A-2A All-State girls' basketball teams as voted on by a statewide panel of newspaper writers/editors, TV/radio broadcasters, and internet-site operators. All media members covering high school basketball in the state were eligible to nominate and vote for players. Compiled by Quad Cities media veteran Steve Tappa (currently of MC22-TV and QCSportsNet). Players received five points for a first-team vote and three points for a second-team vote. A five-player first team and five-player second team were selected in each class based on voting totals. A player must have been named on two ballots to receive honorable mention. All selections listed in order of voting points. There were a total of 27 voters (each voting in both classes).

*-Tied for the final spot on a five-player team; **-NOTE: None were unanimous (named on every ballot). Hargrove came closest in 1A (left off only one ballot).

===
