ICE & SNOW, TAKE IT SLOW

Each year in the U.S., there are over **1,000 deaths** and **100,000 injuries** due to vehicle crashes during winter weather.

DID YOU KNOW?

Clean off your vehicle before driving.
Flying snow from cars causes accidents.

Keep it slow, and don't use cruise control.
Roads can be slick even if they just look wet.

Leave extra distance between vehicles.
Stay especially far from snow plows.
