## Winter Storm Planning Timeline

### A few days out

If the forecast calls for winter weather, start preparing now.

 Have emergency supplies for your home & car

 Check your smoke and carbon monoxide detectors

 Replenish fuel for your car and heating sources

### The day before

Forecast accuracy continues to improve, so keep checking the latest.

 Adjust plans

 Have multiple ways to receive Warnings

 Bring pets indoors and ensure they have water

### During & After

Remain vigilant and stay informed. Drive only if necessary.

 Check on neighbors and family

 Properly ventilate emergency heat sources

 Keep generators at least 20 feet from your home

 Take it easy when shoveling
