SBA to Offer Recovery Assistance for Local Businesses at Monmouth City Hall

The Small Business Administration (www.sba.gov) will be on site at Monmouth City Hall from August 4 through August 19 to meet with business owners and discuss available services for those affected by last month's tornado.

The temporary office is open to all businesses in Warren County. Representatives will be available to review recovery options and answer questions about SBA assistance programs.

Hours of operation are Monday through Friday from 8:00 a.m. to 4:30 p.m., and Saturday from 9:00 a.m. to 2:00 p.m.

Business owners are encouraged to stop by during these hours to learn what support is available.
